

## Interconnector Limited

---

18 August 2021

### Proposed Annual Maintenance for Gas Year 2021

Interconnector has co-ordinated with its adjacent grid operators and is proposing a maintenance shutdown period of ten (10) days. The proposal is for this maintenance shutdown to commence Tuesday 16 November 2021 06:00 CET and end Friday 26 November 2021 06:00 CET.

In line with the Interconnector Access Code, Section I, paragraph 5.2.1 the consultation on this maintenance shutdown proposal for Gas Year 2021-2022 opens today.

Please provide comments, if any, to the proposal by 17 September 2021 by emailing [consultation@interconnector.com](mailto:consultation@interconnector.com).

Following this consultation period the final plan will be confirmed and published on 20 September 2021.

### Interconnector Limited - Background

Interconnector Limited owns and operates the strategic bi-directional gas pipeline and terminal facilities linking the UK and continental European energy markets. The system is capable of transporting approximately 803 GWh/d from Zeebrugge to Bacton and 651 GWh/d in the opposite direction.
